The World's
Communications and Technology Conference!

www.itexpo.com

ITEXPO is the event with an educational program that teaches resellers, enterprises, SMBs, and Government Agencies how to select IP-based voice, video, fax, and unified communications to purchase or resell. It's where service providers learn how to profitably roll out services their subscribers are clamoring for. ITEXPO is where buyers, sellers, resellers, and manufacturers meet to forge relationships and close deals.
